Correction: Pulsed moxifloxacin for the prevention of exacerbations of chronic obstructive pulmonary disease: a randomized controlled trial

Sanjay Sethi^{*1}, Paul W Jones², Marlize Schmitt Theron³, Marc Miravittles⁴, Ethan Rubinstein⁵, Jadwiga A Wedzicha⁶, Robert Wilson⁷ for PULSE Study group

Following the publication of this article [1], it was recognized that some important acknowledgements had been omitted. We would like to provide the corrected acknowledgements section below.

Acknowledgements

In addition to the authors, the PULSE study group comprised: Pierre Arvis, Bayer Schering Pharma, medical expert; Julie Russell, Bayer Schering Pharma, lead statistician; Barbara Hampel, Bayer Schering Pharma, clinical lead; and Jeff Alder, Bayer HealthCare, lead microbiologist.

This study was supported by a research grant from Bayer HealthCare AG. High-field Communication Consultancy (funded by Bayer HealthCare AG) and Bayer HealthCare AG provided editorial assistance in the preparation of this manuscript. The authors thank Professor Richard Kay for independent statistical assessment.

The authors are grateful to the Principal Investigators and their support staff at hospitals and study centres that participated in this research:
